### How to proceed?

**1**

Pack the returned goods very carefully, ideally in the original package, so that the contents of the shipment do not get damaged during transport.

**2**

Place the filled-in form for the exchange of goods inside the shipment and also attach a copy of the tax document (invoice).

**3**

Insure the shipment for the appropriate value and send it by any carrier to the following address:

ARMODD GmbH, Königstraße 80, 70173, Stuttgart, Germany

**4**

As soon as we receive the shipment from you, we will check whether the returned goods bear no signs of damage or wear and tear and if everything is in good order. We will send you the exchanged goods within 14 days at the latest or return the money back to the account you specified.

**!**

You can return the purchased goods within 14 days from the date of receipt. The goods should be returned undamaged, unworn and clean.

Do not send the returned goods cash on delivery. The shipment will be automatically returned.
